1. Reading of the November 2022 Minutes was waived. The Minutes were approved unanimously.
2. The Nominating Committee consisting of Margie Moses, Stephanie Felker and Anne Donnovin nominated Bruce Antman and Jim LaFevor to become members of the Board of Directors to replace the two members rotating off the Board. These nominees were seconded by Sandy Cervantis and were approved unanimously by all attendees.
3. Myra Tatum, Treasurer, not in attendance, submitted her report. Overall, the club continues to operate at a loss and the implementation of increased table fees and an annual membership fee are in place.
4. Winnell Goodner provided copies of the 2023 Membership Directory. Using the updated directory information, members who have not been playing at the club for some time will be contacted to see what can be done to entice them back to improve the revenue stream.
5. Iris Abelson recognized all existing Board Members, Club Manager and all the people that volunteer their time to be in charge of the various activities, projects, providers of food, snacks, supplies, party planners, club decorations, Ambassadors, Library, Alert Newsletter, exterior grounds, web site and any other need the club may have. There's always someone willing to step up to help keep our bridge center operational. Many thanks to all who answer the call.
