In attendance: 44 Members of the Chattanooga Bridge Center Membership

Richard Spangler, President, addressed the membership stating the health of our club was stable and the focus going forward will be on growing membership to maintain steady growth. Offering additional Learn Bridge In a Day classes to attract new members followed by continuing education classes to retain these new members will be implemented.

With typical operating expenses foreseen for the upcoming calendar year, and a continuation of additional income received from Membership fees, table play, lessons and donations, the financial health of the club is expected to be maintained.

The nominating committee has recommended the following 3 members for consideration as replacements:

Sharon Lewis - who has agreed to remain on the Board for another term
