The 2026 Officers were elected as follows:

Richard Spangler, President
Bruce Antman, 1st Vice President
Janie Hunt, 2nd Vice President
Mary Robertson, Secretary

Myra Tatum presented an overview of the financial reports highlighting attached worksheets with supporting detail.

As an intro to the new board members, Myra Reneau explained the club manager's duties. In 2026 she will focus on adding a night game, possibly monthly. She plans on scheduling several themed game parties during the year as well. Renewed sanctions for 2026.

Richard has surveyed members on the viability of the 199er group and how to ensure a more successful future. Will create a subcommittee for this purpose; will encourage all who wish to participate to let him know. This group will be tasked with identifying current weaknesses and proposing solutions.

As the budget year closes and the Club has a \$9k surplus, Richard stated club members suggested using this overage for possible bathroom and kitchen enhancements. A committee will be set up for research and proposals.

The Club's zero tolerance policy is quite outdated and needs to be rewritten. Richard will be seeking someone to lead this initiative.

The backroom needs to be emptied of unused items. Richard will contact those who use this room regularly to assist by clearing out their items and a workday will be scheduled for final cleanup.

Plans and coordination of the February sectional are underway.

Good and Welfare: John Hubbard was selected for all his hard work on bringing our club's Facebook pages to their current status.

The next scheduled meeting will occur on the fourth Tuesday, January 27th. The meeting was adjourned at 5 p.m.
