

**Chattanooga Bridge Center
Board Meeting March 3, 2026
Meeting Minutes**

Board Members attending:

Richard Spangler, Mary Robertson, John Prescott, Sharon Lewis, John Hubbard, Marian Creighton, Bruce Antman

Richard Spangler called the meeting to order at 3:40 p.m.

The January 2026 minutes were approved.

Richard stated that the financials are not yet complete for our February Sectional, but all data indicates this was one of our more successful tournaments in the past few years. It was noted that various issues developed and these will be addressed with ACBL to ensure smoother coordination for future tournaments. Our club's warm hospitality was noted as one of the main draws for our out of town guests, along with the convenient venue.

Myra Reneau reported that she has ordered additional scoresheets.

As the budget year closes and the Club has a \$9k surplus, Iris Abelson is leading the initiative of bathroom enhancements and updates to our kitchen. Completion is scheduled within the next few weeks.

Shayna Scott did another outstanding job as the sectional's Food Coordinator. Multiple volunteers provided breakfast and lunch side dishes. Margie Moses did a great job coordinating the sandwich orders for Thursday and Friday. John and Stephanie Felker oversaw the popular coffee provisions.

Learn Bridge In A Day will begin again Saturday March, 28th. This will tie into the Saturday Bridge Tips classes. Susie Bryant will be the LBIAD instructor, Janie Hunt and Margie Moses will continue to lead Bridge Tips.

Good and Welfare candidate chosen as follows: Hats off to Shayna Scott for her awesome job as the sectional's Food Coordinator.

It was noted that John Prescott and Judy Monen worked on the club's property line bordering the storage unit property. They were successful in cutting back many overgrown bushes. Marian Creighton has done a great job weeding several of our flower beds and cutting back Lenten Roses.

Bruce Antman is working on revisions to the Club's Zero Tolerance Policy. Jim LaFevor and John Hubbard will lend support toward this initiative.

The topic of the club's digital assets were reviewed as John Hubbard has made a list of the club's digital platforms. At the next board meeting further detail will be provided on how to effectively manage these assets' log in ID's and passwords and their "ownership".

The next scheduled meeting will occur on Tuesday, March 24, 2026. The meeting was adjourned at 5:05 p.m.
