

**Chattanooga Bridge Center  
Board Meeting January 27, 2026  
Meeting Minutes**

Board Members attending:

Richard Spangler, Joe Schatz, Mary Robertson, John Prescott, Sharon Lewis, John Hubbard, Marian Creighton

Richard Spangler called the meeting to order.

The December 2025 minutes were approved.

Richard reviewed the current Committee Board Heads-3 Committees need a board member as its liaison. Marian Creighton volunteered to be the board rep for Supplies; Sharon Lewis was assigned to Partnership; and the Web Committee Board rep is yet to be named.

As the budget year closes and the Club has a \$9k surplus, Richard shared an update that Iris Abelson is leading a small committee to review and recommend bathroom and kitchen enhancements. Iris, Marian Creighton and John Prescott may present a proposal at the next board meeting.

The backroom has been cleaned out and Richard expressed his appreciation to all involved. Richard and Myra Tatum will schedule time to purge all the financial records in that space in accordance with applicable fiduciary laws and club by-laws. They will determine how our Club's records can be transferred to an Icloud belonging to Unit 206.

Volunteers for the February Sectional are continuing to sign up. Shayna Scott offered to serve as the Food Coordinator if no others volunteer. Richard strongly urged each board member to support this tournament as much as possible. John Hubbard will set up Sign Up Genius to promote online food and snack contributions. Margie Moses agreed to coordinate the sandwich orders for Thursday and Friday. John and Stephanie Felker volunteered to be in charge of coffee making all three days.

Learn Bridge In A Day will begin again Saturday March, 28th. This will tie into the Saturday Bridge Tips classes. Susie Bryant will be the LBIAD instructor, Janie Hunt and Margie Moses will continue to lead Bridge Tips. These lessons will run for a total of 21 weeks combined.

Good and Welfare candidates chosen as follows: Hats off to those who have contributed art to the bridge center. Thanks go to Judy Monen (pictures taken by her deceased husband), Myra Reneau, Liz Norris and Anne Donnovin. The multiple pieces of art have brightened the look of the building.

Bruce Antman is working on revisions to the Club's Zero Tolerance Policy.

The next scheduled meeting will occur on the first Tuesday, March 3, 2026. The meeting was adjourned at 4:40 p.m.
