

Minutes of Unit 206 Meeting December 13, 2025

In attendance – Richard Spangler, Bruce Antman, Margie Moses, John Hubbard, Janie Hunt, Sharon Lewis and John Prescott, Directors, plus 39 other CBC members.

Richard Spangler, President, presented an update of the Club's performance to the members. The number of members has increased over +10%, though table count is down slightly most likely by stronger participation by our members in ACBL tournaments. The Club's financial position is strong, primarily being driven by the added events that occur by or at the club; for example, the tournaments we host, LBIAD and subsequent Bridge Tips classes and the rental of the facility by Fairyland. The focus for 2026 will be on bringing new players into the club as well as advancing the skills and enjoyment of the club across all levels of play. Richard concluded by thanking the club for their strong support of the club and the importance of everyone being "ambassadors" as we welcome and instruct new players.

Janie Hunt Chaired the nominating committee which has nominated Marian Creighton and Joe Schatz to replace outgoing Directors Margie Moses and Jim LaFavor. No nominations were made from the floor. A vote was taken and both nominees were approved unanimously.

The next meeting will be held on December 16, 2025
