The Board agreed that all detailed receipts of items purchased for the club be submitted before the 25th of the month. Monthly reimbursements will be processed at the end of the month. All receipts submitted after the 25th of the month will be processed the following month.

Myra Reneau reported that the Club calendar has been completed through the end of the year. Received updates on the director selected to manage our Fall sectional. Will continue to focus on ways to increase faster play and better flow between rounds.

Good and Welfare candidate-Hats Off to Mike Hayes for his willingness to assume the shuffling/board prep duties, and being so responsive to help out at the club when asked.

Learn Bridge In A Day will host its next class September 12, led by Suzie Bryant.

Friday, September 18th will be designated as Celebrate Our Ambassadors day. This also ties in with ACBL's International Fund Raiser initiative. Extra master points may be earned that day. Ann Keown to be honored for creating and leading our Club's program. A catered charcuterie type buffet will be provided as we celebrate this initiative. All former and current ambassadors will play for free that day.

It was noted that David Walley passed away Sunday, July 26.
